

Before proceeding to upload your files, please ensure you have prepared your job as per our File Setup Guide available at [www.lumichrom.com/guides&templates](http://www.lumichrom.com/guides&templates) and that your document sizing is correct.

- Please contact Customer Service at 519-648-2234 ext. 223 or [customerservice@lumichrom.com](mailto:customerservice@lumichrom.com) for a **Work Order Number** before beginning to upload your files to our web site
- Go to [www.lumichrom.com](http://www.lumichrom.com)
- Click on the **About Us** link in the top right hand corner
- Choose **FTP Upload** from the left hand column
- Insert your previously obtained Work Order Number. Your job must have a Work Order Number or **it will not be processed**
- Choose your file using the **Browse** option
- Click the **upload** button once you have located your file and wait. Depending on the size of your file, it could take several minutes. Please be patient while your file(s) uploads. Once the upload is complete you will receive a confirmation message: **Upload Complete**
- Upon receiving your Upload Complete message, please send email confirmation with your file name and a PDF copy of the file(s) to [design@lumichrom.com](mailto:design@lumichrom.com) to ensure your order is not delayed

**Thank you for using the  
Lumichrom FTP Upload Site!**
